[Family Constellations Introduction](#), June 4

Following up on the talk given on Family Constellations and Healing Immigration Trauma given during Irish Arts week, we are offering a more in depth introduction to this powerful process.

[Self-portraits in Poetry: Creative Writing Workshop](#), June 9 & 16

Students will explore self-expression through sensory and figurative language in multiple poetic forms, including persona poetry, section poems, and narrative poetry. We will examine the work of W.B. Yeats and other contemporary poets. In this course, poetry is approached as a playful experiment. All skill levels are welcome; if you're having fun, then you're doing it right!

AND JUST LIKE THAT, IT'S JUNE!
