BIG changes at Celtic Junction Arts Center - CONSTRUCTION BEGINS Monday February 9, 2026 - Temporary New Entrance!

Celtic Junction hopes that you notice some of the upgrades we have made lately. We have improved lighting for evening classes and events in the parking lots. We also have installed outdoor cameras to strengthen security and support long-term care of the building and shared spaces.

Now we are so excited to announce that because we met our matching grant from the Cossack Foundation plus our communities support Celtic Junction Arts Center is able to begin Phase 2 of our construction project! Phase 2 of this project will involve the entrance and lobby reconfiguration on Prior Avenue. The new layout will allow for a future elevator to reach the classroom and the Eoin McKiernan Library and to improve circulation in an expanded lobby. More information about the Capital Campaign is available at celticjunction.org/capital/.

While construction is underway, please use the south entrance when coming for regular classes. This entrance is located on the south side of the building by the outdoor stage and mural and will be unlocked during regular business hours throughout this phase of the project.
