Make-up Day for Orientation - RSVP

If you weren't able to make it to Orientation last weekend, please plan to attend Thursday October 10 from 6:30 to 7:30. We will have one meeting for all levels so the info will be general. We will make time to address all questions and concerns. So we can plan for the levels of the attendees (parents, caregivers and dancers) please fill out [this form to RSVP](#).

CJAC Fall Festival & Pumpkin Sale 10/12

Come celebrate the ancient Celtic festival of Samhain with us! With a bonfire to keep the ghosts at bay, a food truck to sooth pangs of hunger, and all the pumpkins you'll need to carve jack-o'-lanterns for Halloween - you'll have a great time at the Fall Festival. The event runs from 1 pm to 4 pm. OID dancers are performing at 2:30 pm! [More info here](#).

Missing Shoes - Check Your Dance Bags!

We have some dancers with missing shoes. Please take a moment this weekend to look in your dance bags for other dancers' shoes!

Costume return 10/14 through 11/7

In preparation for all-school Costume Day on November 16, please return your class costumes to the Costume Return rack in the hallway between the upper and lower levels starting Monday, October 14 through Thursday, November 7. Prior to returning your costume, we will ask you to fill out a simple form, print and attach to the costume so we can better track our costume inventory. **We require that ALL COSTUMES to be returned prior to costume day (Nov 16)** so that they can be inspected and repaired if necessary. If you are signed up or plan to sign up for the performance opportunities listed above, please wait to return your costume until after you've completed your performance opportunities.

Upcoming at CJAC

There's always a lot going on at CJAC. [More info and sign-up here.](#)

THIS WEEKEND: IRISH DANCERS CHECK THIS OUT:

Maureen Fleming: Master Class designed for Irish dancers

In addition to her work as a dancer and choreographer, Maureen Fleming has developed new techniques of regenerative work for anyone interested in developing movement that improves strength, flexibility and balance. Fleming's distinctive approach employs three transformative techniques: internal exercises; movement and metaphor; and manipulations. [More info here.](#)
