Guidance on COVID-19

For safety and contact tracing, only parents of our preschool and beginner dancers have been allowed to wait inside the building during classes. Considering the governor's lift on some restrictions and the brutally cold weather, we are making some adjustments:

- PreSchool and Beginner family members may wait in the Lower Lobby (Attending parent/caregivers still restricted to one person per dancer)
- Primary students/caregivers may arrive/wait on the LEFT side of the Main Lobby (Elevator)
- If arriving early, Intermediate through Champ dancers may arrive/wait on the RIGHT side of the Lobby (Fireplace). We still ask that you not return to that part of the building, and plan to exit through the Studio 1 doors. If being picked up late, please wait in the vestibule.

Masks and social distancing are absolutely still required - if the area seems momentarily congested, please be aware and adjust appropriately. Thanks everyone for remaining vigilant in adhering to these protocols. We continue to monitor local, state, and federal guidance and will provide updates as needed. State info can be found [here](#) and the City of Saint Paul's info is [here](#).
