Fall Orientation Video

It's Fall Orientation time. Like last year, since we can't safely gather in large groups, we're sharing our orientation video. The video gives a thorough explanation of our school and all the levels, reviews policies, discusses shoes and costumes, talks about volunteering and our weekly newsletter.

You can [view the video at your leisure here](#) and, as always, ask your instructors if you have questions about specifics related to you or your dancers.

Guidance on COVID-19

Masks and social distancing are absolutely still required indoors - most of our school-age dancers are only beginning their vaccinations or will not have a chance to be vaccinated until fall. Thanks to everyone for remaining vigilant in adhering to these protocols.

If a family member is sick or has been exposed to covid, please stay home and wait 10 days before returning to the facility. We continue to monitor local, state, and federal guidance and will provide updates as needed. State info can be found [here](#) and the City of Saint Paul's info is [here](#).
