

Weekly Update from O'Shea Irish Dance

January 9, 2022

Important Dates - Mark Your Calendars

- **Winter Session Starts TOMORROW - Jan 10**
- **Changes for the Celtic Junction Winter Feis**

Winter Session Starts Monday Jan 10

We're excited to welcome dancers back to class for the Winter Session starting Monday, January 10. Thanks everyone for your patience as we paused last week. With COVID cases still high, we are asking everyone to be extra diligent about washing hands, distancing and at all times masking inside the Junction. And please take advantage of our testing program when you're first back in the building starting tomorrow.

Changes for the Celtic Junction Winter Feis

Due to the recent rapid rise in COVID cases, IDPA and the Winter Feis chairs have decided not to hold the Winter Feis *in-person*. The feis may go forward as an online competition. We will update you as soon as the final decision has been made.

Time to Update Your Black Team Jacket

It's time to update your black team jacket! Galena will be collecting them starting Monday, January 10 through Thursday, January 20 in the main lobby area. **Please fill out the attached form and return it with the jacket along with payment or pay through PayPal: ldpairishdance@gmail.com.** Full instructions are on the attached form-**please read it**. If you have any further questions, you can email Galena at: galena.stcroix@gmail.com

For those of you who were hoping to order a new team jacket, those orders will be delayed until sometime in February. Unfortunately, there is a very short supply of sizes right now and the supplier expects the stock to be better by next month. Thanks for your patience as we work to get everyone the size they want. Watch for another note in early February!

Guidance on COVID-19

Masks and social distancing are absolutely still required indoors. Thanks to everyone for remaining vigilant in adhering to these protocols - especially now as the omicron variant is spreading so rapidly.

If a family member is sick or has been exposed to COVID, please stay home and wait 5 days before returning to the facility. We continue to monitor local, state, and federal guidance and will provide updates as needed. State info can be found [here](#) and the City of Saint Paul's info is [here](#).

LOOK FOR YOUR NEXT WEEKLY UPDATE ON FRIDAY, JANUARY 14, 2022
